## NATURE'S ESSENCE

Extracted from the Roots of Native, Forest Plants,  
Go Straight Back to Nature for Your Health.  
There is Your Strength.

Consider your body as an engine which supplies you with all activity of mind and body. Keep the machinery well oiled and it runs smoothly. It does not groan in doing its work. But let the human engine get "out of kilter" and we soon meet with disaster. The products of undigested and decomposing food is poison to the system.

We do not live on what we eat but on what we digest, assimilate, and take up in the blood. The blood in turn feeds the nerves, the heart, and the whole system, and all goes well with us if the blood is kept pure and rich. If not, then the liver, which is the human filter within us, gets clogged up and poisons accumulate in the body from over-eating, over-drinking, or hurriedly doing both. The smash-up occurs. Wild-cherry tree, with Mandarins root, stomach and liver being unable to take care of the over-load! The red flag of danger is thrown out in the shape of eruptions on the skin, or in nervousness and sleeplessness, the sufferer becoming blue, despondent and irritable, because the nerves lack nourishment and are starved.

Nature's laws are perfect if only we obey them, but disease follows disobedience. Go straight to Nature for the cure, to the forest; there are mystic herbs, some of which we can fathom for you. Take the bark of the Wild-cherry tree, with Mandarins root, Stone root, Queen's root, Bloodroot and Golden Seal root, make a scientific, Glycoic extract of them, with just the right proportions, and you have Dr. Pierce's Golden Medical Discovery. It took Dr. Pierce, with the assistance of the best chemists and pharmacists, many months of hard work experimenting to perfect this vegetable alternative and tonic extract of the greatest efficiency. To make rich, red blood, to properly nourish the nerves and the whole body, and cure that lassitude and feeling of weakness and nerve exhaustion, take Dr. Pierce's Golden Medical Discovery. It bears the BADGE OF HONESTY upon every bottle in the full list of its ingredients, printed in plain English, and it has sold more largely in the past forty years than any other blood purifier and stomach tonic. The refreshing influence of this

extract is like Nature's influence—the blood is bathed in the invigorating tonic which gives life to it and the vital fires of the body burn brighter and their increased activity consumes the tissue rubbish which has accumulated in the system.

The "Discovery" cures all skin affections, blotches, pimples, eruptions and boils; heals old sores, or ulcers, "white swellings," scrofulous affections and kindred ailments.

The "Golden Medical Discovery" is just the time builder and tonic you require when recovering from a hard cold, grip, pneumonia or a long siege of fever or other prostrating disease. No matter how strong the constitution, our stomach and liver are apt to be "out of kilter" occasionally. In consequence our blood is disordered, for the stomach is the laboratory for the constant manufacture of blood.

It is a trite saying that no man is stronger than his stomach. Dr. Pierce's Golden Medical Discovery strengthens the stomach—puts it in shape to make pure, rich blood—helps the liver and kidneys to expel the poisons from the body and thus cures both liver and kidney troubles. If you take this natural blood purifier and tonic, you will assist your system in manufacturing each day a pint of rich, red blood, that is invigorating to the brain and nerves. The blood is the life-giving, debilitated condition which so many people suffer from, is usually the effect of poisons in the blood; it is often indicated by pimples or boils appearing on the skin, the face becomes thin and the feelings "blue." Dr. Pierce's "Discovery" cures all blood humors as well as being a tonic that makes one vigorous, strong and forceful. It is the only medicine put up for sale through druggists for like purposes that contains neither alcohol nor harmful drugs, and the only one, every ingredient of which has the professional endorsement of the leading medical writers of this country. Some of these endorsements are published in a little book of extracts from standard medical works and will be sent to any address free, on receipt of request therefor by letter or postal card, addressed to Dr. R. V. Pierce, Buffalo, N. Y. It tells just what Dr. Pierce's medicines are made of.

The "Words of Praise" for the several ingredients of which Dr. Pierce's medicines are composed, by leaders in all the several schools of medical practice, and recommending them for the cure of the diseases for which Dr. Pierce's "Golden Medical Discovery" is advised, should have far more weight with the sick and afflicted than any amount of the so-called "testimonials" so conspicuously flaunted before the public by those who are afraid to let the ingredients of which their medicines are composed be known. Bear in mind that the "Golden Medical Discovery" has the BADGE OF HONESTY on every bottle wrapper, in a full list of its ingredients.

Dr. Pierce's Pleasant Pellets cure constipation, invigorate the liver and regulate stomach and bowels.

## GRANITEVILLE.

The N. A. S. E. will meet at Miles' hall at Graniteville Saturday, the 26th, at 7:30 o'clock. A smoke talk will be held after the regular meeting. A team will leave Engineers' hall, Barre, at 6 o'clock.

There will be a social dance at Miles' hall, Tuesday evening, May 29th under the auspices of the Woodmen baseball team. Elmore's orchestra of Montpelier will furnish music and an excellent time is assured for all. Arthur J. Heney will be floor manager. Admission 50 cents per couple. Ladies free.

## Fortunate Missourians.

"When I was a druggist at Livonia, Mo.," writes T. J. Dwyer, now of Graysville, Mo., "three of my customers were permanently cured of consumption by Dr. King's New Discovery and are well and strong today. One was trying to sell his property and move to Arizona, but after using New Discovery a short time he found it unnecessary to do so. I regard Dr. King's New Discovery as the most wonderful medicine in existence." Cured cough and cold cure and throat and lung healer. Guaranteed by the Red Cross Pharmacy. 50c and \$1. Trial bottle free.

## VICTORIAN ANTHROPOLOGY.

We, who were children in our time, And who, though something past our prime,

Still healthily survive, Meet often, when we come in touch With modern infants, marvel much To find ourselves alive.

The milk they drink; I am advised, Must first be duly sterilized, Or else with seal and vow Labelled, to prove to every eye, That it has been provided by A non-consumptive cow.

The briefest sniffle from afar Proclaims the imminent catarrh, And calls for potent cures; The slightest symptom of a bluish is followed by an eager rush To take their temperatures.

About their lungs a busy tribe Of doctors, ready to prescribe New remedies and tabloids, And, surging—mildly prepared to ease Them of all their appendices, And eke their adenoids.

Ah, what a change from those old days When all the world, and all its ways, And we, ourselves, were green! Days, when fearfully sharp set We ate whatever we could get, Nor recked about hygiene.

I recollect, when I was young, Once or twice thrusting forth my tongue To show why I none could tell, And after some heroic bout, Politely christened a "blow-out," I may have felt unwell.

Yet even at that early date Victorian microbes lay in wait In every bite and sup; So, I repeat, grown wiser now, I am constrained to wonder how We managed to grow up.

My Plato's works on yonder shelf Commend the maxim, "Know thyself," As conduct's safest guide; It seems a later nursery law Adopts this immemorial saw To "know your own inside."

Each Spring and Summer hundreds of people all over the country turn to the advertising columns of the Boston Evening Transcript for information as to where the most desirable summer boarding places are located. If you intend to accommodate boarders it will be to your advantage to send us your name and address at once, together with a description of your place and of the accommodations you offer, and we will assist you in getting up an attractive advertisement which will undoubtedly bring excellent results. Advertising rates from 30c per day upward. Each season The Transcript publishes more advertisements offering board for the summer than all the other Boston newspapers combined, proving it to be the most successful medium for this purpose. Sample copies, full information, testimonials, etc., upon application to BOSTON TRANSCRIPT COMPANY, 271 Washington St., Boston, Mass.
